THE BENGAL SECRETARIAT BOOK DEPOT.^A

1919

PREFACE.

Soon after I took charge of the office of the Principal of this college, Hon'ble Mr. J. G. Cumming, c.s.i., the then Education Secretary to the Government of Bengal, visited this college on 7th April, 1911. He expressed satisfaction at the valuable collection of manuscripts and printed books in the Library, and finding on enquiry that there was no printed catalogue of the printed books suggested the desirability of having a printed catalogue for the enhancement of the utility of the Library. In the meanwhile in May 1911, Mr. W. B. Finnigan, Personal Assistant to the Director of Public Instruction, Bengal, asked for a copy of the printed catalogue of books in the Sanskrit College Library from Darjeeling. He was, however, informed that there was no such catalogue of the Library. Mr. G. W. Kuehler, M.A., the then Director of Public Instruction, asked for my opinion as to the desirability of bringing out a printed catalogue of the books of the Library. I informed him that it was urgently needed. According to the instructions of the Director of Public Instruction, Bengal, the authorities of the Imperial Library were consulted for the preparation and publication of the Library catalogue. At my request Babu Kiron Nath Dhar was deputed to examine the Library and submit a report. On the strength of that report Mr. Chapman, the Librarian of the Imperial Library, observed that the work of cataloguing might be completed in about a year and a half.

Mr. Chapman sent Babu Nanda Lall Dutta to undertake the work of cataloguing on a salary of Rs. 40 a month and one sorter was appointed on Rs. 20 a month. The clerk joined on the 23rd January, 1912. On the 31st January, 1913, Babu Nanda Lall Dutta, temporary clerk left this office. Babu Anadi Charan Mukherjee, the Librarian of this college, took up the work and completed it at an honorarium of Rs. 100 in addition

to his usual pay. After completing the manuscript copy he sent it to the press. But before the printing of a single form he retired from Government service. The next Librarian, Babu Dhirosh Chandra Acharyya Shastri, M.A., carried the greater portion of it through the press. The present Librarian, Babu Upendra Kumer Bose has completed the remainder. It has many imperfections but still it will be of great help to those who come to use the Library.
